

AMENDMENTS TO THE DRAWING:

Replacement Drawing Sheet 11 containing a revised Figure 11 is enclosed herewith. The revised Figure 11 has been amended as shown on the attached "Annotated Sheet" in which the inadvertent omission of two wire connections has been corrected. Applicant respectfully submits the minor circuit corrections reflect common sense for a person having ordinary skill in the art and that no new matter is added by these amendments.

REMARKS

In this preliminary amendment, Applicant has cancelled claims 21-24 without prejudice or disclaimer of the subject matter thereof and has amended claims 1, 2, 3, 6, 7, 8 and 13 and added new claims 25-30 to clarify that which Applicant considers to be the invention. Further, Applicant has amended the drawings for purposes of clarification, as noted above. Applicant respectfully submits that the amendments to the claims and the new claims are fully supported by the originally-filed specification and that the amendments to drawing do not add new subject matter.

Favorable consideration and allowance are earnestly solicited. Should there be any questions after reviewing this paper, the Examiner is invited to contact the undersigned at (508) 898-8603.

Respectfully submitted,
